

**TOWN OF FRANCONIA  
BOARD OF SELECTMEN'S MEETING  
SEPTEMBER 15, 2019 AT 192 MAIN STREET**

\*\*\*\*\*

**BOARD MEMBERS PRESENT:** Eric Meth, Jill Brewer

**OTHERS PRESENT:** Holly Burbank, Dawn Steele, Mary Grote, Peter Grote & Robert Williams

**The meeting was called to order at 5:05pm.**

Chairman Brewer thanked all for attending.

Before asking those in attendance to share their thoughts on what they feel would be a good use of this now open space, the group took a small tour of 192 Main Street, including a short walk to the Riverwalk Path that runs behind 192 Main Street.

Jill then opened the meeting up for ideas about what the space could be used for. The following are the ideas that were shared:

- Give a conservation easement to ACT (Ammonoosuc Conservation Trust) to be stewards of the property.
- Town Park
- Market Village/Farmer's Market
- Gazebo
- Brewery Parking
- Workforce and/or Elderly Housing
- Sculpture Garden/Art Walk

A few of the group felt it was important to keep an open space concept when deciding what to do with the property.

Other things briefly discussed were water protection rules, as well as septic and building restrictions/issues.

With no further discussion, the meeting was adjourned at 5:35pm.

Respectfully Submitted,

Holly A. Burbank

Town Administrator
