

**FRANCONIA WATER DEPARTMENT
MEETING MINUTES
August/September, 2015**

WATER COMMISSIONERS

MARCIA GRAHAM, RAY PELTIER & RICH (MAC) McLACHLIN

The Franconia Water Commissioners met for the August/September Meeting.

We are trying to schedule the work we have to do around the Inn. We probably have to wait until the foliage is over to start checking pipes.

We also discussed who to turn to check our tanker tank. Department of Environmental Services has told us this must be done now. We are trying to get Terry Welch to do this as he is familiar with us and the tank. It will cost between \$4,200.00 and \$2,500.00. It depends on what he finds.
