

**FRANCONIA WATER DEPARTMENT
MEETING MINUTES
November, 2015**

WATER COMMISSIONERS

MARCIA GRAHAM, RAY PELTIER & RICH (MAC) McLACHLIN

The Franconia Water Commissioners met for the November Meeting.

We are trying to get as many new meters as we can get installed. Pete is trying to flush hydrants before things freeze. We need to do as much leak detection as we can.

We finally can get the new service into Dow. Also we can dig out meter pit at Whitneys. Also check on the bleeders. We found that there is no gate box at Garnet Hill garage. Find it.

We were very tight on money for the last few months but seem to be much better. Now we can decide how many more repairs and checks to get done before snow comes.
