

**FRANCONIA WATER DEPARTMENT  
MEETING MINUTES  
October, 2015**

**WATER COMMISSIONERS**

**MARCIA GRAHAM, RAY PELTIER & RICH (MAC) McLACHLIN**

The Franconia Water Commissioners met for the October Meeting.

We are coming down to the decision that perhaps it makes more sense to read meters every month.

We are still talking about this. We are trying to get the Realtors to do a final read on the water meter when a sale is done. Then we can have the Seller pay for water used and the amount the Seller owes will come up on the screen with any other cost must be paid by Seller.
