Enriching the quality of life for people with disabilities.

Dear Members of the Franconia Select Board:

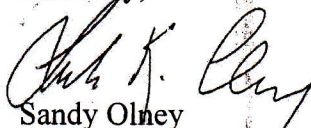

Adaptive Sports Partners of the North Country (ASPNC) is requesting an appropriation of \$750.00 from the town of Franconia.

Headquartered in Franconia, ASPNC provides year-round sport, recreation and wellness opportunities for persons with physical and intellectual impairment. Its mission is to enrich the quality of life for people with disabilities.

ASPNC, founded in 2009, is funded solely by donations from individuals, businesses and local community support. Without the continued support of our generous donors and the over one hundred volunteers, ASPNC would not be able to provide the nearly 2,000 service sessions to over 180 persons with disabilities annually. Working closely with Cannon Mountain, Lafayette Recreation and the Profile School, with venues including, Dow Park, Fox Hill Park, Franconia Town Hall and Ice Rink ASPNC provides a high level of service that our whole community can be proud of.

We hope you will look favorably upon our request. With your support we will continue to make a difference in the lives of people of all abilities.

Sincerely,

Sandy Olney
Executive Director
