

Town Hall Opening Policy

For the duration of the pandemic

Masks and hand sanitizing are required of all persons over the age of 5 entering the building.

The main hall can safely accommodate up to 30 people while maintaining a social distance of 6 feet.

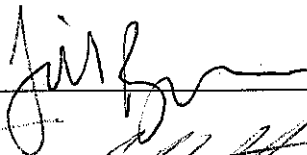

During a public meeting with a board or committee occupying table space the main hall can safely accommodate the committee members and up to 10 public participants.

One person at a time is allowed in the waiting rooms of both the town clerk/tax collector, water department and the Selectmen's office.

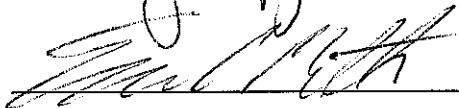

The bathroom is NOT open for public use.
