

FRANCONIA ENERGY COMMISSION
MINUTES
December 17, 2024, 4:30 PM

In attendance: Fitz, Serena, Dan, Eric, Chris

Minutes from November Energy Commission meeting were approved.

Franconia Town Hall Solar Energy System

- The current balance with Eversource is +\$938.03.

Town Report Energy Usage for 2024

- Data is to be submitted for the town report by February 15, 2025, per email from Jenny.
- Fitz is reaching out to SAU 35 for Profile and Lafayette Schools' 2024 calendar-year invoices.

Lafayette School Solar

- The FEC is promoting a solar PV system for the Lafayette Regional School, however, the school is currently focusing on replacement of HVAC system.
- Overall, the LRS Board has shown no enthusiasm for roof-mount solar, and there is insufficient unused land for a ground-mount system.

EV Charging Facilities

- Dan is pursuing discussions with Hampton Inn, Franconia Inn, Pauly's and Best Western about Level 2 charging stations.

Franconia Solar Expansion

- A possible site for expansion is the Heritage Museum.

Ongoing Business

- Welcome Center Project: pole removal on hold
- New member recruiting, such as from Solarize campaign

Next meeting: January 21, 2024 @ 4:30 in the Town Hall

Meeting Adjourned 5:40 pm

Respectfully submitted,
Chris Dubé
