

## FRANCONIA ENERGY COMMISSION February 21st, 2023, 4:30 PM MINUTES

In attendance: Fitz, Chuck L, Chris D, Daniel Z, Eric M, David S

Joined during the meeting: Jordan Applewhite of Sugar Hill and Tony, a newer resident of Littleton.

Meeting Chair: Daniel Z

- Past minutes approved
- Charging station:
  - Daniel working with Basecamp to finalize installation, hoping to install within a month
  - Fitz meeting with Revision Energy about DC charging
- Town Hall array:
  - Electrical work being done to get two meters
  - Next steps:
- Eversource will inspect
- NECSS Solar installer can connect
- Lafayette array (proposed):
  - Suggestion to form a committee of new school board
  - SEED energy funding?
  - Aiming to get proposal in place by Feb 2024 school board meeting
- Grafton County ARPA Funds:
  - funds have to be spent by a deadline (ARPA), \$16m
  - Fitz encouraging the county to allocate some portion for energy projects
  - Eric: money could be spent on water projects in Franconia (does qualify)
- FEC mission statement:
  - Missing word, otherwise ok
- Soaring club:
  - Bob T not at the meeting, but did talk to them.
- Community Power:
  - Jordan Applewhite talking about other benefits:
- Offers innovative solutions:
- Solar array credits
- Time of day pricing
  - Fitz:
- Follow Sugar Hill's lead, see how it goes
- Earmarks:
  - Senator Shaheen sent out email, deadline is March 1st

Next meeting: Mar 21, 2023

Meeting Adjourned ~5:30pm

Respectfully submitted, Daniel Zajic
