

FRANCONIA HOUSING SESSION

Join the Franconia Planning Board, and planners from North Country Council, to talk about hopes, concerns, and aspirations for the future of housing in Franconia. This interactive and hands-on event is part of the Planning Board's update to the Master Plan, a document that guides future development and municipal decisions in town.

The event is open to community members of all ages and walks of life.
Help us set the right vision for our community!
