

FRANCONIA WATER DEPARTMENT  
MEETING MINUTES  
September 14, 2017

The Franconia Water Commissioners met on September 14, 2017 at the Franconia Town Hall. The meeting was called to order at 9:00am.

**Members Present:** Joan Hartford, Ray Peltier, Rich “Mac” McLachlin.

**Minutes:** The minutes of August 9, 2017 were approved as written by majority vote.

Trees at Mittersill are being taking down today.

Ray shared an ad from the Courier from the Town of Guildhall for water shutoffs.

Dean Haskell - Water line freeze up to one of his units that normally had been shut down in the winter. An issue was created to cause freezing of the water line by the contractor. After discussing with the commissioners the contractor was responsible for this. It has been 8 years and it is hard to go back on the company who did this after eight years.

Water Project - Herbie will get notices out for temporary water the first week of October for the properties to be affected in Mittersill. The Commissioners will speak to Peter Hilton to see exactly when he wants to schedule the project. We have to get it done so that the road crews can get the road ready for winter.

Cross Connections will have to be dealt with when Pete is ready.

Old Meters - need a half dumpster to get rid of the old meters. Clean up the area on Coal Hill. Mac will talk to Trevor.

**Scheduled meetings:**

**5 October**

**12 October**

**9 November**

**14 December**

Respectfully submitted,

Herbie Bartlett

Office Assistant  
Franconia Water Department
