### Master Plan

The Board worked on the letter that we are going to send out in regards to input for the Master Plan. We should put some bulleted items that people can comment on with a space for anything else they may be interested in, in regards to the town.

- Hiking & Biking Trails & Access
  - High Speed Internet Access
  - Alternative Energy Sources
  - Shared Resources & Services
- 

### Miscellaneous

**Internet** – Thad will have Kevin Lowe from Secure Network Services schedule a date that he can come and meet with the Board.

**Morris** – A letter had been sent to them in regards to their lots. Herbie will check with Sally to see if this has happened.

**ZBA** - Looking for new members for the ZBA. Herbie recommended that Thad speak to a person that we both knew to see if he wants to join. Thad said he would. He may be a good candidate to approach to become a new member. We also need to find an alternate for the Planning Board.
