MTAG Grant – Kaela Gray - Planner for North Country Council. The contract got hung up at Plan NH. The Board received the contract yesterday. The Select Board will be signing it. Why is there a subcontract? This is because we are changing names of the representative.

Kaela gave us an overview of the project. The Board asked questions in regards to mapping, where the focus will be for mapping, what the maps will entail, can we get layers.

Kaela will bring us a sample map at our meeting in September.

Herbie will get the Master Plan responses the board received to Kaela.

Public workshop in November – for the town captures public input.
